Copyright and Self-plagiarism

Please confirm you have sought and received permission, and made suitable acknowledgements where needed, for all material that is not original to this work, including your own previous published work. If the work is to be published Open Access, you must also request permission for this use. Refer to [Copyright and other legal issues: Your essential guide](#).

GDPR

Please confirm that, where relevant, you have sought and received permission to publish photographs and personal data of individuals from any and all subjects that appear in the manuscript. *This ensures that your work complies with strict UK and EU data regulations.*

Libel

Please tick to confirm that your manuscript does not contain any libellous, defamatory or injurious statements or implications about living persons, companies, institutions or other organizations that could result in libel claims or be the cause of litigation.

Index

If you are contracted to prepare the index yourself, please confirm that you have used the indexing tool in Word and provided the index files. For further information please refer to the indexing guidelines on our [Author Hub](#). Please contact your commissioning editor if you have any questions about this.

Metadata

Abstracts, keywords and ORCID numbers form key metadata and are essential to ensure your book appears prominently in search engine results and citation indexes. These will not appear in the printed copy of your book and are not included in the word count.

Please tick to confirm that chapter specific abstracts (no more than 150 words) and six keywords/terms have been supplied at the head of every chapter file underneath its chapter title (including introductions and conclusions)

Please tick to confirm that the chapter author(s) ORCID number(s) have been supplied at the head of every chapter file underneath its chapter title

Maths and non-Roman characters

Please tick the box if any of your chapters contain maths.

Please tick to confirm that the maths has been input correctly according to our house style here on our [Author Hub](#). It is vital to do this, given that we are not able to make changes for you.

Please tick to confirm that PDF and Word versions have been provided of chapters containing maths or non-Roman characters e.g. Chinese letters, to ensure that these characters have not been corrupted. Specify which chapters:

Tables and Boxes

Screenshots or images of tables/boxes that cannot be edited or manipulated will not be suitable for printing. For further information please refer to our [Author Hub](#), or consult us prior to submitting your manuscript.

Tick if any chapters include tables/boxes

Tick to confirm these are set within the text where they are to appear, with a caption/title and numbered consecutively by chapter (i.e. Table 1.1, Table 1.2 etc)

Tick to confirm that the tables/boxes are created as amendable tables/boxes in Word and that all text can be edited

Figures, Graphs, Maps and Photographs

Please do not embed/copy/paste these in the Word files as this reduces the file size and quality; we will not be able to print them. For further information please refer to our [Author Hub](#), or consult us prior to submitting your manuscript.

Tick if any chapters include figures/graphs/maps/photographs

Tick to confirm that all of the above are supplied in their original source files (e.g. Excel, PDF, EPS, PNG, jpeg, powerpoint)

Tick to confirm that all of the above are numbered consecutively across each chapter (e.g. Figure 1.1, Figure 1.2 etc)

Tick to confirm that you have indicated where these are to appear in the chapter along with the title, number and caption

Tick to confirm that all figures, graphs, maps and photographs have been supplied in high resolution

Tick to confirm that any photographs do not include recognisable faces of any person/persons who have not consented to this in accordance to GDPR.

Acceptable formats for figures	Unacceptable formats for figures
High-resolution PDF Word EPS PNG Excel JPEG Illustrator TIFF	Low-resolution PDF Figures that have been copied and pasted into a Word file Screenshots or scans Any figures that are of poor quality or contain illegible text or labelling

PLEASE NOTE:

Figures, maps, graphs, photographs, tables or boxes that do not meet our requirements will be removed if alternatives cannot be supplied.

Description of your book

This will appear on the book cover, in catalogues, on our [website](#) and [ElgarOnline](#). It is crucial that we get this written in good time and that we receive sufficient material to prepare an engaging, clear, and concise description. Please include your answers to the queries below and we will send the description on to you for your approval.

In no more than 150 words, please describe the book in non-technical layman's terms including brief details of the book's main objectives and conclusions:

Please summarise your book in just a couple of sentences:

If you were researching in this general topic, which 6 keywords would you use to find books and articles of interest in Google? Please do be as specific as possible.

E.g. For a book titled Social Construction of Law: Potential and Limits these could be: Conceptual analysis; naturalized jurisprudence; normativity; legal system; social constructionism and legal theory. For a Handbook titled Handbook of Megacities and Megacity-regions these could be: urbanization; governance; urban infrastructure; urban sustainability; urban environments and climate change and cities.

Special features of the book in 5 or 6 bullet points:

In order of importance, what is the prime potential readership for your book, including subject areas and disciplines, and the reasons for their interest:

Endorsement Quotes

We are keen to promote your book to the best of our ability and would like to source a number of supportive endorsement quotes to help with this. Please could you supply the names of three or four eminent figures in the field who I could approach in this way, ideally representing the diversity and international range of the subject and, if possible, with at least one based in the US?

Submission

You can submit your manuscript files to your commissioning editor either via email or Dropbox.

Once you have shared the manuscript with us, please do not make any further changes to the Dropbox files, as once we have downloaded the files, we will not look at this again.
